**Following:** line 8

**Insert:** "WHEREAS, Montana's senior citizens and persons with disabilities rely on human service agencies and public transportation systems for essential transportation to work, health care services, and recreation; and

WHEREAS, these transportation services and systems can be expanded by using state funding, known as Transportation Assistance for the Disabled and Elderly or TransADE, to match increases in federal transit funding; and

WHEREAS, this expansion of service addresses coordinated transportation options available to Montana's transit-dependent residents."
